Lord, I would be available  
 To do your holy will,  
 Not seeking ease if I may please  
 The One who calls me still.  
 The going may sometimes be rough  
 But then your grace will be enough;

Lord, I would be available  
 With all that I possess  
 To walk the road and share the load  
 With those I seek to bless.  
 Your love incarnate in my life  
 Will overcome where there is strife;

Lord, I would be available  
 To follow in your ways.  
 For you I'll live and gladly give  
 My residue of days.  
 The 'where' and 'when' I leave to you  
 And dare to claim your promise true.
